Crystal 1-2-3

1:00 p.m. to 2:30 p.m. – Part 1

3:00 p.m. to 4:30 p.m. – Part 2

Mike Rayburn's "What If...? Keynote Experience" is a high-energy odyssey of message and entertainment designed to set the tone for success. Within 30 seconds you will know that the impossible...is possible. Another three minutes and you will be completely engaged with Rayburn's innovative interface of guitar, comedy and message. By the end...you will have a bold, new, "What If...?" mindset for possibility thinking and virtuoso performance. This is what you will walk away with:

- Create change, rather than manage change.
- Think in terms of possibilities, not scarcity.
- Discover the opportunities you are currently missing.
- See all success as a launching pad for what's next.
- Harness uniqueness as your competitive edge.
- Shape what's next for the greatest possible good.
- Act from a sense of purpose in all you do.
- Attract success, rather than pursue it.
