INSTRUCTOR

Annette Werner, RN, BSN

MANDATORY IN-PERSON SKILLS WITH PRECEPTOR

Jody Luzum, LPN

PROGRAM OBJECTIVES

At the completion of the program, participants will be able to:

1. Identify the work setting and job responsibilities of the nursing assistant. Concepts include communication, safety precautions, and emergency care.
2. Apply skills and principles used in the role of the nursing assistant to aid patients to meet their basic physical and safety needs.
3. Explore the nursing assistant's role in meeting love and belonging, self-esteem, and self-actualization needs of the patient.

ONLINE TRAINING SCHEDULE

START DATE: Nov. 7, 2022

Online training begins Nov. 7, 2022, for four weeks. Refer to your schedule from Academic Platforms for complete details.

Dec. 14	4:00 p.m. - 8:00 p.m.
Dec. 15	4:00 p.m. - 7:30 p.m.

PROGRAM CONTENT

This program is designed to train the beginning nursing assistant to provide safe, effective, and caring services to the patients of any health care setting. It is designed to meet the training requirements of both federal and Nebraska laws for nursing assistants working in a licensed nursing facility. The skills and knowledge contained in this material can be adapted for any health care or residential setting.

COLLEGE CREDIT

6.5 quarter credits will be awarded upon successful completion of the Hybrid Online Basic Nursing Assistant Training. Training may be taken as credit or non-credit. Credit will be awarded only if high school transcript is submitted within 30 days of completing the course. See the Nebraska Health Care Learning Center Education Catalog for credit requirements at nebraskanurseaide.org.
