## Weekly Vaccine Doses Administered

Lincoln-Lancaster County is opening Phase 1B this week

- **Vaccination Clinic for Lancaster County residents age 80+ at a clinic Friday at Pinnacle Bank Arena**
- Those in that age group who have registered to receive vaccine will be contacted starting tomorrow to schedule an appointment to get vaccinated at the clinic
- Individuals aged 80 and up should not go to the Arena without an appointment
- If a person in this age group wants to get vaccinated but has not registered, they should call 402-441-8006

Measures include the following:

- The vaccination clinic will take place on the lower level
- Wheelchairs will be available
- Extra staff will be available to help those who may need additional assistance
- Free parking is available in the garage attached to the west side of the Arena
- Courtesy vehicles will be provided for those who need transportation from the parking garage to the arena

Phase 1B includes:

- People 65 and older
- 18 and older with underlying medical conditions
- Essential workers

**LLCHD is working with partners to provide vaccine to residents of independent living communities the second week of February.**

- LLCHD will not have a large-scale clinic that week.
- The first step to getting vaccinated is to register to receive vaccine.
- About 67,000 Lancaster County residents have registered at [COVID19.lincoln.ne.gov](https://COVID19.lincoln.ne.gov)
- While the vaccine is not yet available for the general public, as doses become available, those who are registered will be contacted to schedule an appointment to get vaccinated.
- The health department will work with essential workers and their employers independently.
