# MDS 3.0 INTENSIVE TRAINING

## CONTENT

This three-day intensive MDS training will provide in-depth education on the RAI process. This program will help staff better understand the assessment process and why quality measures trigger.

## OBJECTIVES

Participants completing this training program will be able to:

### DAY 1

1. State the regulatory guidelines for setting Assessment Reference Dates (ARD) and MDS completion for each OBRA assessment type.
2. State the only acceptable way to set ARDs.
3. Verbalize the requirements, timelines and processes for resident interviews.
4. List the four Late Loss ADLs that affect reimbursement (Medicare and Medicaid Case Mix) which also affect quality measures.
5. Correctly state the residents' bowel and bladder continence during the MDS look-back window.
6. Accurately identify active diagnoses for MDS coding.

### DAY 2

1. Describe the MDS items that trigger quality measures related to pain and falls.
2. Describe how significant weight losses and weight gains are to be determined.
3. Discuss medications that affect the quality measures.
4. List the pressure ulcer stages and the qualifications for each stage.
5. Report the requirements for coding the special treatments, programs and procedures that impact quality measures and Medicare reimbursement.
6. Identify the physical restraint items that impact the quality measures and how position change alarms may have the effect of restraining a resident.
7. Report when the Local Contact Agency must be involved in discharge planning.
8. Report three examples of significant change in condition criteria for decline.
9. Describe the correct procedure for completing the Care Area Assessments.

### DAY 3

1. Report which therapy days and minutes can be reported on the MDS.
2. Identify the qualifiers for the 66 Resource Utilization Groups.
3. Verbalize the daily skilled services criteria.
4. Explain when Section GG is required and how it affects the SNF QRP Measure.
5. Describe the windows for setting the ARDs of scheduled PPS assessments and the Other Medicare Required Assessments.

## AUDIENCE

This program is appropriate for all in nursing facilities.

## CONTINUING EDUCATION CREDIT

This education program meets the continuing competency requirements of 21 hours for the renewal/reinstatement of a Nebraska Nursing Home Administrator's license as granted by the Nebraska Board of Nursing Home Administrators. This program meets the criteria of an approved continuing education program for social work. This program meets the criteria for continuing education of 21 hours for nurses. This program is appropriate continuing education for activity coordinators.

Participants must stay in the education program the entire time to receive full credit.

Nurses: Please bring your nursing license number with you to the training.

*This continuing nursing education activity was approved by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.*

## SPEAKER

Carol Maher, RN-BC, RAC-MT, RAC-CT, CPC,  
Director of Education, Hansen Hunter & Co.,  
Vancouver, Washington.

No perceived or identified speaker or planning committee member conflict of interest.

## EVALUATIONS

Please provide your feedback on the program by completing the evaluation. A link to the online evaluation will be emailed to registrants.
