GET READY NOW... PDPM IS COMING

- The new patient driven patient model (PDPM) begins October 1, 2019
- Patient clinical characteristics in totality will determine payment
- Quick and highly accurate assessment and diagnosis will be critical
- Payment will no longer be focused on therapy minutes and ADLs but will rely on over 180 MDS item fields
- Failing to accurately code patient needs will have a significant impact on adequate and accurate payment for high quality care
- Staff roles must change to operate effectively under PDPM

IT'S COMING AND WE CAN HELP

The PDPM ACADEMY is a **10-month training** effort to help centers prepare for this massive change.

PDPM ACADEMY is Both In-Person Training and Continuing Updates and Support

Provider members of AHCA and the Nebraska Nursing Facility Association who register for the PDPM ACADEMY receive access to:

- PDPM 101 pre-requisite webinar
- One-day in-person training – March 5, 2019, York, Nebraska
- Ten post-event webinars on key topics and emerging PDPM issues
- Additional tools developed by AHCA

At the in-person training, participants will go in-depth with hands on experiential learning by:

1. Aligning buildings and companies to transition to PDPM using AHCA's PDPM Readiness Tools© and the related core competencies;
 2. Classifying residents in case mix groups;
 3. Assessing market position in a PDPM environment; and
 4. Using organizational, business, and management tools to reconfigure business planning.
- **7 CEs** if you attend the optional PDPM 101 pre-requisite webinar
 - **6 CEs** if you do not attend the PDPM 101 pre-requisite webinar

Enroll in the PDPM Academy to get the knowledge and support you need for a successful transition to PDPM.
